

Adam and Eve were in the garden one day  
The serpent came around and began to say  
The taste of sin is good just give it a try  
Just eat a little blt you surely won't die  
And when they took a bite their eyes  
were opened wide  
That's when the world conceived the birth of a lie...Hey!  
Don't believe it  
Don't believe a lie  
Don't believe it  
Don't believe it  
When you hear a lie  
Don't believe it  
Don't believe it Cause God didn't said it  
Don't believe it  
People may talk about you but that's alright  
Stand on the promises and fight the good fight  
They talked about the Lord They'll talk about you  
You know in your heart that what they say just ain't true  
No, you're not past your prime  
Delayed is not denied Yes, you can make it with the Lord on your side Hey!

Don't believe it  
Don't believe a lie  
Don't believe it  
Don't believe it  
When rumors fly Don't believe it  
Don't believe it  
If God didn't said it  
Don't believe it Hey now Yeah yeah yeah Say it Louder! oh...

Talk about me just as much as you please  
The more you talk gonna stay on my knees  
My God will do everything that  
He said He's not a lie and His Word never fails.... So don't believe... Don't believe it  
Don't believe a lie No...ooh...  
So don't believe....  
Don't believe it When you hear a lie So don't believe...  
Don't believe it When rumors start to fly  
Don't believe... Don't believe it...  
God didn't said Don't believe it...Hey! So don't believe..  
Check it for yourself don't believe nothing else  
Check it for yourself yeah yeah yeah yeah...  
Don't believe it ...  
I don't believe it..  
Don't believe it...  
I don't believe it...

(Optional Bridge EP Version)

Eyes have not seen Ears have not heard what God has in store of them who love His  
Word No weapon formed can destroy the Blood of Jesus is covering you
